I wanna be your lush
Your little bit of fluff
Lock me in a cage
Don't wanna act so tough

Chorus

Tie me down honey
Make me feel secure
Bliss me up baby
For you I will be pure
Chase me
Catch me
Possess me
I wanna be your lush

I wanna be your kitten
Caress my fur
Suffocate me with a whisper
Hear me purr

Chorus

Tie me down honey
Make me feel secure
Bliss me up baby
For you I will be pure
Chase me
Catch me
Possess me
I wanna be your lush
Drown me in your lust
I wanna be your lush

I wanna be your strawberry
Devour my flesh
Taste my sickly sweetness
Sweeter than the rest

Chorus

Tie me down honey
Make me feel secure
Bliss me up baby
For you I will be pure
Chase me
Catch me
Possess me
I wanna be your lush
Drown me in your lust
Your little bit of fluff

I wanna be your
I wanna be your
I wanna be your lush
