There's a dark and a troubled side of life there's a bright and a sunny side too
Though you meet with the darkness and strife the sunny side may also find you
Keep on the sunny side always on the sunny side keep on the sunny side of life
It will help us everyday it will brighten all the way if we keep on the sunny side of life
[ac.guitar + autoharph]
All the storms and its pury broke today crashing hopes that we cherished so dear
Clouds and storms will in time pass away the sun again will shine bright and clear
Keep on the sunny side...
[ac.guitar]
Let us greed with the song of hope each day though the moments be cloudy or fair
Let us trust at the Saviour old way who keep up everyone in his care
Keep on the sunny side...
