

All the creatures, on your beaches  
Makin' waves in the motion picture  
Put your kingfish, inbetween us  
Search and seizure, weigh the?  
The dollar bill will  
Return your ill will  
Mom and dad take your don't be sad pill  
Turn the screw and twist my leverage  
Don't forsake me I'm contagious

There's a reason for the 21st Century  
Not to sure but I know that's it's meant to be  
You've met a friend to be

It's my favorite combination  
Comin' down with the favor of nation  
Twist the screw and twist my language  
Don't forsake me I'm contagious  
Oh, oh, oh, oh-oh  
Just like you're Cain and Able  
Oh, oh, oh, oh-oh  
Gonna run your table

There's a reason for the 21st Century  
Not to sure but I know that's it's meant to be  
You know it's meant to be

Read me your scripture and  
Read me your scripture  
Read me your scripture and  
I will twist it  
Show me your wrist and I  
Show me your wrist and  
Show me your wrist and I  
Kiss it kiss it  
Oh, oh, oh, oh-oh  
Like you're Cain and Able  
Oh, oh, oh, oh-oh  
We're gonna run this table

Simple Soldier, hand it over  
Stop and read what you just told her  
Just stop the ration , and mutilation  
Of all the sex and good vibrations

There's a reason for the 21st Century  
Not to sure but I know that's it's meant to be  
You know it's meant to be yeah

There's a reason for the 21st Century  
Not to sure but I know that's it's meant to be  
You met a friend to be
