

Theres a baby girl  
That I know  
And shes so fine  
I meet her everyday  
After school  
Walk her to the train  
Its been some time  
Cause what her papa dont know  
Won't hurt me  
Mama thinks that  
I'm a cutie  
She can't date till her sweet sixteen  
But we just tryna do out thang

So I meet her at the 2 train  
Everyday  
Riding all the way to 110th  
I get to hold her hand  
Whisper in her ear  
The only time i get the time  
Is on the 2 train  
Is on the 2 train

We always meet in the back car  
So no one else can interrupt  
So much to talk about  
So little time  
I wish we didnt have to rush  
Cause by 42nd - to have a listen  
77nd - Reminiscing  
96th Street - Watch start clicking  
And I'm about to do my thang

So I meet her at the 2 train  
Everyday  
Riding all the way to 110th  
I get to hold her hand  
Whisper in her ear  
The only time i get the time  
Is on the 2 train  
Is on the 2 train

I can't wait  
'Till we dont have to worry bout what no one  
Has to say  
'Cause we'll be free  
Won't have to sneak around no more  
But we're here now  
And the futures not so far away  
So until that day I'll say

So I meet her at the 2 train  
Everyday  
Riding all the way to 110th  
I get to hold her hand  
Whisper in her ear  
The only time i get the time  
Is on the 2 train  
Is on the 2 train
