Title: 2nd floor

download from: <http://www.lyricsdisc.com>

Sa bawat sandali, naaalala ka
Dulot mong pag-ibig hatid sakin ay saya
Araw at gabi, laging kasama ka
Sa duyan ng iyong pagmamahal
Ako'y di nangangamba
Labis-labis ang ligaya pag ika'y kayakap na

CHORUS:

Up, down moving all around
Feeling like I'm freezing like a log ain't moving
Up, down I'm shaking on the ground
Tryin' to hide emotions what a silly motions I did
Up, down clouds all over town
Hurry up now baby
Coz the rain starts pourin' again
Up, down flowin' all around
I can see it's rising
come never let it happen again
On the 2nd floor...yeah

Ang bawat oras natin
Parang walang patid
Hanggang sa umaga'y
Pag-ibig mo'y walang sawa ang hatid
Di ko napansin, paglipas ng gabi
Pag ako'y iyong hinahagkan, nadarama kailan pa man
Ikaw lamang ang siyang mahal

(CHORUS)

BRIDGE:

Oooh wag maninimdim
Ako lang sa iyo at ika'y sa akin
Oooh hanggang sa huli
Ikaw lang ang siyang aking mamahalin
Ohhh..Tanging ikaw sinta at walang iba sa akin

CHORUS 2:

Up, down moving all around
Feeling like I'm freezing like a log ain't breathing
Up, down I'm shaking on the ground
Tryin' to hide emotions what a silly motions I did
Up, down clouds all over town
Hurry up now baby
Coz the rain starts pourin' again
Up, down flowin' all around
I can see it's rising
come never let it happen again
On the 2nd floor...yeah

AHHHHHHHH.....
