

I see the way that you're looking at me  
You don't like what you see  
Harrasing us every chance that you get  
When the fuck are you gonna leave me be  
I'm getting sick of your smart-ass ways  
And I don't have to play your bullshit games  
Now, hads against the wall  
Don't fuckin' move - don't say a word  
I look in your eyes, I know you're not much older than me  
Going out of your way to impress your peers, and make a fool out of me  
And then you wonder why some people just don't fuckin' care  
Quick to lock us down, and when in need you you're just never there  
Help - where are you  
If this was you, what would you do  
Cause I won't help you  
I can't trust you any more  
Won't back down from you no more  
You think that you're better than me  
Give me a chance and then we'll see  
Take off your badge, now talk to me  
If you're the man you claim to be
