Title: ... On The Radio (Remember The Days)

download from: <http://www.lyricsdisc.com>

You liked me 'till you heard my shit on the radio
Well I hate to say but pop ain't going solo
You liked me 'till you heard my shit on the radio
But now I'm just too mainstream for you, oh no
You liked me 'till you seen me on your t.v.
Well if you're so low below then why you watching
You say good things come to those who wait
Well I
