

Written by Richard Kerr & Graham Lyle

The last guest has gone
I can tell you're as thankful as I
A good time was had by all
And a little wine
I know by that look
(Hmm) You've got other things on your mind
And I can't resist that sign
So turn out the lights and close the door
We need the night to be alone
Shut out the world-just let it spin
Why don't we make a little bit of heaven
Just talk to my heart
(Ooh) Say the words that I want to hear
Darling, tonight I need you near
So turn out the light and close the door
We need some time to be alone
Shut out the world-just let it spin
And maybe we'll touch
A little bit of heaven
Oh---, oh, oh, hmm---
Shut out the world-just let it spin
Maybe we'll touch a little bit of heaven
Heaven's right here for us
We don't need a mountain to climb, no, no, no
There's just the two of us
And the love between the lines
Turn out the light and close the door
We need the night to be alone
Shut out the world just let it spin
Why don't we make a little bit of heaven
Turn out the light and close that door
Maybe we'll find a little bit of heaven
Turn out the light, Baby, and close the door
I know we can make a little bit of heaven
Honey, turn out the light, yeah, and close the door
Maybe we'll find a little bit of heaven
Turn out the light and close the door
Maybe we'll find, oh, a little bit of heaven
