Title: A natural woman

download from: <http://www.lyricsdisc.com>

Looking out on the morning rain
I used to feel so uninspired
And when I knew I had to face another day
Lord it made me feel so tired

Before the day I met you
Life was so unkind
You're the key to my peace of mind

Chorus:
Cause you make me feel
You make me feel
You make me feel
Like a natural woman
Woman...

When my soul was in the lost and found
You came along to claim it
I didn't know what was wrong with me
Til your kiss helped me name it

Now I'm no longer doubtful
Of what I'm living for
Cause if I make you happy
I don't need to do more

Chorus

Oh Baby, what you've done to me
Oh, you make me feel so good inside
And I just wanna be close to you
You make me feel so alive

Chorus
