Title: Across the universe

download from: <http://www.lyricsdisc.com>

Words are flowing out like endless rain into a paper cup
They slither while they pass, they slip away across the universe
Pools of sorrow, waves of joy are drifting through my open mind
Possessing and caressing me
Jai guru de va om

Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Images of broken light which dance before me like a million eyes
That call me on and on across the universe
Thoughts meander like a restless wind inside a letter box
They tumble blindly as they make their way across the universe
Jai guru de va om

Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Sounds of laughter shades of earth are ringing
Through my open views inciting and inviting me
Limitless undying love which shines around me
Like a million suns, it calls me on and on across the universe
Jai guru de va om

Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Jai guru de va om, Jai guru de va om
Jai guru de va om, Jai guru de va om
Jai guru de va om

Jai guru de va om
Jai guru de va om
