download from: <http://www.lyricsdisc.com>

Yow

In case u aint know I go by the name of akon and im from
Akon (africa africa) home of the gorder island im from senegal
westside(africa africa) so im gonna share with you were i
Africa come from an how i was comin of(africka africa).

Verse 1

So what you know about the struggles that my people went
Songtexte trough so you can live the way you live now
Say what you know about seeing that brand new mother
Songtext giving away her newborn child
what u know about mr amadu ndiaij that the senegalis cops
Lyrics shot down
say what u know about how people love to presive os when
Lyric we are comin to a bran new town
what u know about goder island were all the slaves were
Liedertexte shiped from
what u know about beeing born in america to aful the
Liedertext imigration

Still from the ghettos of senegal(africa africa)
Comin from the ghettos of senegal(africa africa)
Alle comin from the ghettos of senegal (africa africa)
comin from the ghettos of senegal(africa africa)

Akon

What you know about schebujcen yassa Schene and mafe my
favorite foods
Africa Say what you know about niggas throwing rocks buses hats at
the military invatin my hood
Songtexte So what you know about kids whit automatic machins waiting
for the war to get on their side
Songtext So what you know about how God/Allah comes first and
Lyrics everything that we do is for Allah
So what you know about that holy place called Kabba were
Lyric Prophets were born
and what you know about comin here gettin money investin it
Liedertexte back home

Right from the ghettos of senegal(africa africa)
Give it to the ghettos of senegal(africa africa)
Liedertext Take it to the ghettos of senegal (africa africa)
send it right to the ghettos of senegal(africa africa)

Alle

See thats just a little piece of what we can do
Akon see but we can come togheter and make it lot better at home
