

After you get what you want,  
you don't want it.  
If I gave you the moon,  
you'd grow tired of it soon.  
You're like a baby.  
You want what you want when you want it.  
But after you are presented with  
what you want, you're discontented.  
You're always wishing and wanting  
for something.  
When you get what you want  
you don't want what you get  
And though I sit upon your knee,  
you'll grow tired of me  
'Cuz after you get what you want  
you don't want what you wanted at all.

Changeable,  
you got a changeable nature,  
always, always changing your mind.  
There's a longing in your eye  
hard to satisfy, and here's the reason why...

'Cuz after you get what you want  
you don't want it.  
If I gave you the moon,  
you'd grow tired of it soon.  
You're like a baby.  
You want what you want  
when you want it.  
But after you are presented  
with what you want you're discontented.  
You're always wishing  
and wanting for something.  
When you get what you,  
you don't want what you get.  
And though I sit upon your knee,  
you'll grow tired of me.  
'Cuz after you get what you want,  
you don't want what you wanted at all.

Baby, I don't mean to make you blue  
but you need a talking to  
'Cuz after you get what you want,  
you don't want what you wanted at all.  
I know you.
