

Baby baby baby baby baby baby
baby baby baby baby baby...

im so glad...

I will never find another lover sweeter than you
sweeter than you
And I will never find another lover more precious than you
more precious than you
cuz girl you are
Close to me your like my mother
Close to me your like my father
Close to me your like my sister
Close to me your like my brother
You are the only one in my everything and for you this song I sing

All my life
I've prayed for someone like you
And I thank God that I, that I finally found you
All my life
I prayed for someone like you
And I hope that you feel the same way too
Yes, I pray that you do love me too

I said you're all that I'm thinkin' of.....baby

Said, I promise to never fall in love with a stranger
You're all I'm thinkin' of
I praise the lord above
For sending me your love
I cherish every hug
I really LOVE you

And all my life (Ohhhh...baby, baby)
I've prayed for someone like you,
And I thank God that I...that I finally found you,
All my life I prayed for someone like you
And I hope that you feel the same way too
Yes, I pray that you do love me

You're all that I ever known
When you smile, on my face, all I see is a glow
You turned my life around
You picked me up when I was down
You're all that I ever known
When you smile my face glow
You picked me up when I was down
Say...You're all that I ever known
When you smile my face glow
You picked me up when I was down
And I hope that you feel the same way too
Yes I pray that you do love me too

All my life
I prayed for someone like you
And I thank God that I, that I finally found you
All my life
I prayed for someone like you
Yes, I pray that you do love me too
All my life
I prayed for someone like you
And I thank God that I, that I finally found you
All my life
I prayed for someone like you
Yes, I pray that you do love me too
All my life
I prayed for someone like you
And I thank God that I, that I finally found you
