---

All the good times 're past 'n gone  
All the good times 're over  
All the good times 're past 'n gone  
Little darling don't you weep no more

Have you seen that turtle-dove  
Flyin' from pine to pine  
It seems to mourn for it's own true love  
Just like I mourn for mine

All the good times ...

I'd wish to the lord I'd never been born  
Or 'd died when I was young  
I wished that I'd never seen your face  
Nor heard your lying tongue

All the good times ...
