

All we are  
All we are, we are  
We are all, all we need  
All we are  
All we are, we are  
We are all, all we need

There's beauty in the heart of the beast  
Fear behind the eyes of the thief  
I know you know we're all incomplete  
Let's get together and let's get some relief

CHORUS

Stronger than a mountain of steel  
Faster than hell on wheels  
We've got we've got all the power we need  
Let's build a playground on this old battlefield

CHORUS

Now we're stronger  
We no longer want you bringin' us down  
We've got the magic  
So we're gonna spread the magic around yeah!

Now we're stronger  
We no longer want you pushin' us

CHORUS CHORUS All we are  
We are all, all we need  
REPEAD & FADE
