So What You Packed Up, Picked Up Your Love and Left
I Can Pick Up 50 Channels On the Tv Set
I've Got 10 Toenails I Can Paint a Nice Shade of Pink
But When the Fun's Done in a Second Or Two
I Kinda Sorta Maybe Start Missin You
So I Crank Up the Radio to Drown Out the Thoughts I Think

Almost Always You Never Cross My Mind
Almost Always I Never Cry
Every Other Minute I'm Strong As I Can Be
It's Just Those Lonely Minutes in Between
But I'm Doin Ok Almost Always

Just Because I Let the Dog Sleep On the Bed
Doesn't Mean I'm Wishin You Were Here Instead
Whisperin Sweet Words, Lyin All Close to Me
Yeah, I Don't Dream About You Cuz I Lie Awake
I Always Thought Sleep Was Over Rated Anyway
I Find Most of the Time I'm Almost Over You As I'll Ever Be

Almost Always You Never Cross My Mind
Almost Always I Never Cry
Every Other Minute I'm Strong As I Can Be
It's Just Those Lonely Minutes in Between
But I'm Doin Ok Almost Always

Almost Always You Never Cross My Mind
Almost Always I Never Cry
Every Other Minute I'm Strong As I Can Be
It's Just Those Lonely Minutes in Between
But I'm Doin Ok Almost Always
