Title: Almost blue

download from: <http://www.lyricsdisc.com>

Almost blue
Almost doing things we used to do
There's a boy here and he's almost you
Almost all the things that your eyes once promised
I see in him too
Now your eyes are red from crying

Almost blue
Flirting with this disaster became me
It named me as the fool who only aimed to be

Almost blue
It's almost touching that we're almost through
There is a part of me that is always true, always
All the things never come to an end
Now it is only a chosen few
I have seen such an unhappy couple

Almost me, almost you, almost blue
