Title: Always-A Friend For Life

download from: <http://www.lyricsdisc.com>

Our time has come
You say you're too old to stay young
Ignorant attitudes - have gotten so fucked
You let life go by
Cause you're afraid to die
I'm doing the best I can
To keep us satisfied
ALWAYS - I'm there if you want
ALWAYS - We won't grow apart
ALWAYS - Got me by your side
ALWAYS - A friend for life
I don't have to worry about problems today
Cause I can count on you and you won't go away
Don't need to know the correct way of life
We'll stand together - fight for what's right!
ALWAYS - I'm there if you want
ALWAYS - We won't grow apart
ALWAYS - Got me by your side
ALWAYS - A friend for life
I don't need answers - about today
Don't worry about the future - it won't go away
I was there before, I'll be there again
Looking out for you - until I'm dead
