Title: Among My Souvenirs

download from: <http://www.lyricsdisc.com>

There's nothing left for me of days that used to be
I live in memories among my souvenirs
Some letters tied in blue a photograph or two
I find a rose from you among my souvenirs

A few more tokens rest down in my treasure chest
And though they do their best to give me consolation
I count them all apart as the teardrops start
I find a broken heart among my souvenirs
[guitar]
I live in memories among my souvenirs
