films will come and films will go  
that kiss on your neck wont show

posing at the same place everytime  
we'd be steping this weekend in the sunshine

watching tv at 4am, thats not when she needs a friend  
staring at the bathroom floor  
please dont say you've got to go

posing at the same place to put things right  
we'd be realizing we'd be meeting in the morning light

you've done it again, you've done it before  
that kiss on your neck wont show

watching tv at 4am, thats not when she needs a friend  
staring at the bathroom floor  
please dont say you've got to go

watching tv at 4am, thats not when she needs a friend  
loose change from your pocket on the floor  
please dont say you've got to go

cheap thrills that this time like last  
cheap thrills that you'll dream about

you've done it again, you've done it before  
that kiss on your neck wont show

watching tv at 4am, thats not when she needs a friend  
staring at the bathroom floor  
please dont say you've got to go  
watching tv at 4am, thats not when she needs a friend  
loose change from your pocket on the floor  
please dont say you've got to go
