I got pictures of naked ladies  
Lying on their beds  
I whiff that smell and sweet convulsion  
Starts a-Swelling inside my head  
I'm making artificial lovers for free  
I start to howl I'm in heat  
I moan and growl and the hunt drives me crazy  
I fuck like a Beast

I come round, round I come feel your love  
Tie you down, down I come steal your love  
I come round, round I come feel your love  
Tie you down, down I come steal your love

I'm on the prowl and I watch you closely  
I lie waiting for you  
I'm the wolf with the sheepskins clothing  
I lick my chops and your tasting good  
I do whatever i want to, to ya  
I'll nail your ass to the sheets  
A pelvic thrust and the sweat starts to sting ya  
I fuck like a beast

I come round, round I come feel your love  
Tie you down, down I come steal your love  
I come round, round I come feel your love  
Tie you down, down I come steal your love

Come ride, savage seduction  
Ride, ride, ride
