

Oh I've been traveling on a boat and a plane  
In a car on a bike with a bus and a train  
Traveling there and traveling here  
Everywhere in every gear

But oh Lord we pay the price with a  
Spin of a wheel - with a roll of a dice  
Ah yeah you pay your fare  
And if you don't know where you're going  
Any road will take you there

And I've been traveling through the dirt and the grime  
From the past to the future through the space and the time  
Traveling deep beneath the waves - in  
watery grottoes and mountainous caves

But oh Lord we've got to fight  
With the thoughts in the head with the dark and the light  
No use to stop and stare  
And if you don't know where you're going  
Any road will take you there

You may not know where you came from  
May not know who you are  
May not have even wondered how  
you got this far

I've been traveling on a wing and a prayer  
By the skin of my teeth by the breath of a hair  
Traveling where the four winds blow  
With the sun on my face - in the ice  
and the snow

But oooooe it's a game  
Sometimes you're cool, sometimes  
you're lame  
Ah yeah it's somewhere  
And if you don't know where you're going  
Any road will take you there

But oh Lord we pay the price  
With the spin of the wheel with the roll of  
the dice  
Ah yeah, you pay your fare  
And if you don't know where you're going  
Any road will take you there

I keep traveling around the bend  
There was no beginning, there is no end  
It wasn't born and never dies  
There are no edges, there is no size  
Oh yeah, you just don't win  
It's so far out - the way out is in  
Bow to God and call him Sir  
But if you don't know where you're going  
Any road will take you there

But if you don't know where you're going  
Any road will take you there
