---

Wuz a wayward child  
with the weight of the world  
that I held deep inside.  
Life wuz a winding road  
and I learned many things  
little ones shouldnt know

Chorus:

But I closed my eyes  
steadied my feet on the ground  
raised my head to the sky  
and though times rolled by  
still I feel like a child as i look at the moon  
maybe I grew up a little too soon

La-da-da-da-da....

Funny how one can learn  
to grow numb to the madness  
and block it away  
I left the words unsaid  
let it all dissipate  
as I try to forget

Chorus

Bridge:

Nearing the edge  
oblivious I almost  
fell right over.  
Apart of me  
will never be quite able  
to feel stable.  
Like with each other  
nearing the side  
were on the verge of dying  
Thankfully I woke up in time....
