Title: Asking for it

download from: <http://www.lyricsdisc.com>

Every time that I sell myself to you
I feel a little bit cheaper than I need to
I will tear the petals off of you
Rose-red I will make you tell the truth

Was she asking for it
Was she asking nice
She was asking for it
Did she ask you twice

Every time that I stare into the sun
Angel dust and my dress just comes undone
Every time that I stare into the sun
Be a model or just look like one
While I'll rock it to the end
Do you think you can make me do it again

Live through this with me
I swear that I would die for you
And if you live through this with me
I swear that I would die for you
