

Should old acquaintance be forgot
And never brought to mind
Should old acquaintance be forgot
And days of Auld Lang Syne (2x)

For auld lang syne, my dear
For auld lang syne
We'll take a cup of kindness yet
For auld lang syne

Should old acquaintance be forgot
And never brought to mind
Should old acquaintance be forgot
And days of Auld Lang Syne

Should old acquaintance be forgot
And never brought to mind
Should old acquaintance be forgot
And Auld Lang Syne
