Title: Axe Of Redemption

---

Fallen before me  
The bringers of despair  
Forgiveness will be forgotten  
The time has past to care  
Bow down and beg redemption  
Severed is my control  
Swing the axe cry for justice  
Watch the heads begin to roll

Bow down and beg  
Time to pay  
Axe redemption

This time no one lives  
No one will breathe again  
Sacrifice what you have stolen  
Time to pay  
No time for your forgiveness  
This time you fucked yourself  
Once again bow down and beg  
Time to pay

Time to pay  
Bow down  
This time  
Swing the axe  
Sacrifice  
Heads roll  
Your lost soul
