---

Baby  
Black, black, black is all you see  
Don't you want to be free?  
Baby  
Red, red fire is what you breathe  
Don't you want to be clean?  
Honey, the shape you're in  
Is worse everytime you spin  
Baby Doll  
Turn out the lights  
Set yourself on fire  
Say goodnight  
Did you have a real cool time?  
Baby  
Black, black, black is all you see  
Don't you want to be free?
