featuring Baby Bash

[Chorus]

Don't look no father!

Baby, I'm back(yeah)

Im here to cater to you (any thing that you want me do ill do it)

Cause I'll be your lover (ill be your lover)

Ill be your best friend

Tell me what I gotta do (tell me what I gotta do and ill do it)

[Baby Bash]

Now I'm back in a flash

Feelin so blessed

Back in your corner, Suga Suga don't stress

Forget about the rest, let's go inside

Im back in your zone, Baby back in your vibe

Now I can't be denied I can't lie I'm on ya

And never ever wanna say sayonara

Some body told me that the grass was greener

On the other side andale arriba

Never really intended on being a cheater

What I gotta do to be your keeper

These words comin out the speaker

Trill love is off the meter

[Chorus]

[Baby Bash]

I was gone for a minute but now I'm home

Please forgive me for being a rolling stone

Please forgive me let me polish it up like chrome

Get off the phone tell them squares to leave you alone

Let me spark your interest, now there's no more dating on the internet

Cause you already know how I get it wet

How I keep it so saucy and I get respect

You don't have to look no farther, you dealin with the whole enchilada

You don't have to look no farther, you hotter then a fire starter

[Chorus]

[Baby Bash]

I was gone for a minute, (oooohhh) [repeat 3X]

Now I'm back let me hit it (oooohhh) [repeat 4X]

[Chorus 2X]
