---

Whenever i hear just the sound of guitars  
floating all over the world  
it's rollin' and tumblin'  
all people assembling  
the beat of my heart and the sound of the drums  
wake up boys and girls leave your home tonight  
rock is our life the stage is our home  
so come all together and have a good time  
let's have a party tonight  
with dancing and singing  
romancin' and swinging  
the sound of the beat is the pulse in my veins  
- all night long
