

Roll back the rug everybody  
Move all the tables and chairs  
We're gonna have us a good time tonight  
Everytime that we meet  
We skip and we dip to the beat, Yeah Yeah  
What in the world could be better  
Than getting together

The last time we had a party  
It ended when the sun came up  
That's why your mama told you  
That you couldn't go out  
Stay in the house

Chorus:

Bad boy  
He's gonna sneak out tonight  
He's gonna tip by her window  
'Cause he sure wants to get out and dance  
Everyone's here, let 'em all in  
The chandelier downstairs has fallen  
I know it's hard to resist  
This is the party no one wanted to miss  
But if you don't get home on the double, boy  
You're going to be in trouble  
I hope your mama don't look in your room  
'Cause if she does she'll be here soon

Boy, she's gonna be mad  
You're a bad boy and you've got it bad boy  
Boy, say goodbye to your friends  
'Cause it's gonna be a while til you see them again

Repeat Chorus

Everybody's swingin'  
Dancin' to the music  
On the radio  
Having a party  
Everybody's swingin'  
Dancin' to the music  
On the radio  
You can't go

Repeat Chorus
