---

Baby, you ain't a man  
'cause my heart's carried in your hand.  
any fool can see,  
I love my misery.

Bad news  
It's born in my blood.  
Bad news

Some live to undo,  
some live to be undone  
my grey sky's growing dark  
I feed on my own heart.

Bad news  
It's born in my blood.  
Bad news.

Whisper's what you done,  
crazy I've brought a gun  
my finger's to your window,  
Whiskey's on my clothes  
I'm bad news  
It's born in my blood.

Bad news.  
It's born in my blood.
