Title: Bad old days

download from: <http://www.lyricsdisc.com>

The gentle sound of your breathing
The murmur of the night
The sounds that really belong in music
Someday I just might

Meantime I just like his smile
Wide awake at dawn
And I wonder where
My bad old days are gone

Oh I wonder where
My bad old days are gone
When I was lost with
Nothing to count on

Now I lay here
Smiling all night long
And I wonder where
My bad old days are gone

The danger is in the telling
I
