---

Such a wicked vicious woman, black magic voodoo queen  
Lesbo nymphomaniac, ooh, she's got a girlfriend that's seventeen

Bye bye bye  
Ballcrusher  
Bye bye bye  
Bye bye bye  
Ballcrusher  
Bye bye bye

Stole the rent and drank all my JD  
She went and hijacked my brand new car  
I say AC, she says DC  
The damned bitch is just too bizarre

Bye bye bye  
Ballcrusher  
Bye bye bye  
Bye bye bye  
Ballcrusher  
Bye bye bye

I call her liar  
Her eyes burn the flame  
Liar, the princess of pain

Bye bye bye  
Ballcrusher  
Bye bye bye  
Ballcrusher

Such a wicked vicious woman  
The hellraiser finally pushed her luck  
Before I go leave her in her dust  
I'm gonna fuck her till she can't stand up

Bye bye bye  
Ballcrusher  
Bye bye bye  
Bye bye bye  
Ballcrusher  
Bye bye bye

I call her liar Her eyes burn the flame  
Liar, the daughter of DeSade
