Title: Balls To The Wall

download from: <http://www.lyricsdisc.com>

Too Many slaves in this world
Die by torture and pain
Too many people do not see
Their killing themselves, going insane
Too man people do not know bondage is over the human race
They believe slaves always lose, and this fear keeps them down
Watch the damned (god bless ya)
Their gonna break their chains (hey)
You cant stop them (god bless ya)
Their coming to get you
And then you get your balls to the wall
You may screw their brains
You may sacrifice them too
You may mortify their flesh
You may rape them all
One day the tortured stand up
And revolt against the evil
They make you drink your blood and tear yourself to pieces

(Chorus)

Come on man; lets stand up all over the world
Lets protect each others ass,If they dont keep us alive
Were gonna fight for the right
Build a wall with the army of the dead and saved
Make the world scared
Come on show me the sign of victory

(Chorus)
