Oh Fuck!
Did we make it through the night?
When I want to go out, I tell my husband I'm working late!
We got a good relationship
I dont know I dont think we should
Oh baby I know i feel it, ya know and like all that kind of stuff
Oh say can you see by the dawn's early light
what so proudly we hail at the twilight's last gleaming
its broad stripes and bright stars
through the perilous night
and the rampart's we watch were so galantly streaming
and the rocket's red glare
the bombs bursting in air
gave proof through the night that our flag was still there
Oh say can you see by the dawn's early light
what so proudly we hail at the twilight's last gleaming
its broad stripes and bright stars
through the perilous night
and the rampart's we watch were so galantly streaming
and the rocket's red glare
the bombs bursting in air
gave proof through the night that our flag was still there
oh say does that star-spangled banner yer wave
for the land of the free and home of the brave
now go to sleep i'll see you later, i love you
Oh say can you see by the dawn's early light
what so proudly we hail at the twilight's last gleaming
its broad stripes and bright stars
through the perilous night
and the rampart's we watch were so galantly streaming
and the rocket's red glare
the bombs bursting in air
gave proof through the night that our flag was still there
im taking care of it, you guys go back in
ok, we got two hours
the land of the free and the home of the brave, the home of the brave
