Title: Basement Band Song

download from: <http://www.lyricsdisc.com>

if i pay you five dollars will you try to make my bed?

if i pay you ten will you make me well instead?

i love your baby baby harmonies

you really brighten up my basement suite

we should go down to the mall

look at people , judge them all

judge them before they judge us and leave there feeling bad

we should sit and pick our hands

i think you
