Title: Be still

download from: <http://www.lyricsdisc.com>

---

I(You)won't be afraid of the future  
Or carry the weight of the past  
I'll be still and know that You are God  
Your love will always last

And I will wait on You for You come to me  
You comfort me  
And I will wait on You for You come to me  
You touch me so deeply
