

(Intro)

I wanna be with you,gotta be with you,need to be with you,
(oh,oh,oh,oh)
I wanna be with you,gotta be with you,need to be with you,
(oh,oh,oh,oh)

1st Verse:

Chemistry was crazy from the get go
Neither one of us knew why
We didn't build nothin' over night
Cause' a love like this take some time
People swore it off as a phase
Said we can't see that
Now from top to bottom
They see that we did that(yes)
It's so true that(yes)
We've been through it(yes)
We got real sh*t(yes)
See baby we been...

Chorus:

Too strong for too long(and I can't be without you baby)
And I'll be waitin' up until you get home(cuz I can't sleep without you baby)
Anybody who's ever loved, ya know just what I feel
Too hard to fake it, nothin' can replace it
Call the radio if you just can't be without ya baby

2nd Verse:

I got a question for ya
See I already know the answer
But still I wanna ask you
Would you lie?(no)
Make me cry?(no)
Do something behind my back and then try to cover it up?
Well, neither would I, baby
My love is only your love(yes)
I'll be faithful(yes)
I'm for real(yes)
And with us you'll always know the deal
We've been...
Chorus:

Too strong for too long(and I can't be without you baby)
And I'll be waitin' up until ya get home(cuz I can't sleep without ya baby)
Anybody who's ever loved, ya know just what i feel
Too hard to fake it, nothin' can replace it
Call the radio if you just can't be without ya baby

Bridge:

See this is real talk

i'm ma always stay(no matter what)
Good or bad(thick and thin)
Right or wrong(all day everyday)
Now if ya down on love or don't believe
This ain't for you(no this ain't for you)
And if ya got it deep in ya heart
And deep down ya know that it's true(c'mon, c'mon)
Well, let me see ya put ya hands up(hands up)
Fellas tell ya lady she's the one(fellas tell ya lady she's the one,oh)
Put ya hands up (hands up)
Ladies let him know he's got ya love
Look him right in his eyes and tell him
We've been...

Chorus:

Too strong for too long(and I can't be without ya baby)
And I'll be waitin' up until ya get home(cuz I can't sleep without ya baby)
anybody who's ever loved, ya know just what I feel
Too hard to fake it, nothin' can replace it
Call the radio if you just can't be without ya baby
