

He drowns in his dreams  
An exquisite extreme I know  
He's as damned as he seems  
And more heaven than a heart could hold  
And if I try to save him  
My whole world would cave in  
It just ain't right  
It just ain't right

Oh and I don't know  
I don't know what he's after  
But he's so beautiful  
such a beautiful disaster  
And if I could hold on  
Through the tears and the laughter  
would it be beautiful  
Or just a beautiful disaster

He's magic and myth  
As strong as what I believe  
A tragedy with,  
More damage than a soul should see  
But do I try to change him  
So hard not to blame him  
Hold on tight  
Oh hold on tight

Oh and I don't know  
I don't know what he's after  
But he's so beautiful  
He's such a beautiful disaster  
And if I could hold on  
Through the tears and the laughter  
Would it be beautiful  
Or just a beautiful disaster

I'm longing for love and the logical  
But he's only happy hysterical  
I'm waiting for some kind of miracle  
Waited so long  
I've waited so long

He's soft to the touch  
But frayed at the ends he breaks  
He's never enough  
And still he's more than I can take

Oh 'cause I dont know  
I dont know what he's after  
But he's so beautiful  
He's such a beautiful disaster  
And if I could hold on  
Through the tears and the laughter  
Would it be beautiful  
Or just a beautiful disaster

He's beautiful  
such a beautiful disaster  
beautiful  
beautiful disaster...
