

Here it comes again.  
Cannot out run my desire.  
Cover my descent and throw the beauty on the fire.  
Drawn towards the edge.  
Do I assume I could fly?  
Every secret shared.  
Why do I drink the feelings dry?  
Don't go too far - limitation scars.

Tonight, could I be lost forever?  
To drown my soul in sensory pleasure.

Here it comes again.  
You raise the bar even higher.  
I cannot catch my breath.  
So throw the beauty on the fire.  
Don't push too hard - limitation scars.

Tonight, could I be lost forever?  
To drown my soul in sensory pleasure.

Sensory pleasure  
Sensory pleasure  
Sensory pleasure  
Could I be lost forever?  
Do I assume I could fly?

Tonight, could I be lost forever?  
To drown my soul in sensory pleasure.

Sensory pleasure  
Sensory pleasure  
Sensory pleasure  
Could I be lost forever?

(Could you watch me fall?  
Could you watch at all?  
Could you watch me fall?  
Another night I'm gone.  
Could you be lost too?  
Is it gonna stop?)

(Could you watch me fall?

Another night I'm gone.
