---

Let me tell you I appreciate  
All the the love and strength you've shown  
I know it's hard to keep a smile on your face  
And nobody could ever take their place  
Every mother, every sister and brother  
Every child that's now gone  
I know they're smiling looking down on your face  
In a better place  
I'll hear them say

Can't nobody hurt me  
Can't nobody fade me  
I'm resting in a better place  
Can't nobody harm me  
Can't nobody touch me  
I'm resting in a better place

I'll keep standin' through the trials of life  
Even if I stand alone  
Through the times when I feel I can't go on  
I feel a hand pushin' me upward  
Sure I don't have no time for haters  
This journey will be love  
I'm in a much better state of mind  
And this is where I
