Title: Big choise

download from: <http://www.lyricsdisc.com>

Big lies/ surprise/ you've thought of everything/ it builds your character you
know/ no way / ok/ so what's the price you pay?/ too late to realize you're
broke/ do you think that everything worked out?/ it's good to see you've
finally made it/ can't you see you're lying to yourself?/ but this was all your
choice/ do you think it makes a difference now?/ but this was all your
choice/ it's good to see it hasn't changed you/ you've tried/ denied/ can't win
at everything/ it's building character you know/ don't wait/ too late/ you've got
a choice to make/ it's time to be what you've been told
