

There's no sign on the gate  
And there's mud on your face  
Don't you think it's time we re-investigate this situation  
Put some fruit on your plate

You've forgotten how it started  
Close your eyes  
Think of all the bubbles of love we made  
And you're down on your knees  
It's too late  
Oh don't come crawlin'  
And you lie by my feet  
What a big mistake  
I see you fallin'

Got a buzz in my head  
And my flowers are dead  
Can't figure out a way to rectify this situation  
Don't believe what you said

You've forgotten how it started  
Close your eyes  
Think of all the bubbles of love we made  
And you're down on your knees  
It's too late  
Oh don't come crawlin'  
And you lie by my feet  
What a big mistake  
I see you fallin'

I could sting like a bee  
Careful how you treat me  
Baby I don't think I'll except your sorry invitation  
Close the door as you leave

You've forgotten how it started  
Close your eyes  
Think of all the bubbles of love we made  
And you're down on your knees  
It's too late  
Oh don't come crawlin'  
And you lie by my feet  
What a big mistake  
I see you fallin'  
And you cry over me  
I can't wait  
I feel you stallin'  
And you try to reach me  
What a big mistake  
I hear you callin  
And you're down on your knees  
It's too late  
Oh don't come crawlin'  
And you lie by my feet  
What a big mistake  
I see you fallin'.
