Title: Bitter to better

download from: <http://www.lyricsdisc.com>

Peel off your onion skin
Forget about your discipline
Spit out this bitter pill Die
Leave this place where the sun never shines

I'll be your heroine Happy
If you promise that you'll try
If you promise that you'll cry
Instead of keeping it inside

WHO DO YOU SEE - WHEN YOU LOOK INTO THE MIRROR
HOW DO YOU FEEL - WHEN YOU REALISE IT'S YOU
WHERE WILL YOU GO - ON THE WAY FROM BITTER TO BETTER
I WANNA KNOW
I WANNA KNOW

Don't be so scared of mistakes
Won't you try to take a break
'cause you're already perfect
You just don't see that yourself

You don't know who you are
If you don't try
You will never find your own personal style
You're already perfect
Yes you are
You're almost perfect
