Sanctimonious  
Reproduce to repent  
Nurture the unloved  
And drag them out as spiritual...waste - waste - spiritual waste  
Move those pious hands  
Off that which isn't yours  
Hers are hallowed parts  
Governed by her right to...choose - choose - right to choose  
If as you say life is so sacred  
Why is quality of life an afterthought?  
Blows - to the body  
Plunder and rule (that) most personal of property  
"Murder" on the unborn, yet some newborn die a thousand times  
And if, as you say, life is so sacred  
Why is quality of life an afterthought?  
Blows - to the body  
The seed is sown  
She reaps the harvest  
Therefore she controls the earth  
"Governed", "By" a right to choose  
Controlling a womb  
Does not make her a vehicle  
She dictates the terms
