

You found a pack of matches there in my coat
Neither one of us smokes
Don't be trippin' on me now
Feel my flow and set the overheads low
Make the mood tonight with candlelight
You made a promise that you'd make me your queen
I made a vow to you keep my commitment clean
Never think that I'm gonna go astray

Did you ever consider that I'm truly serious
No matter what goes down can come between the two of us
Place your faith in me not what other people may say

Don't believe a solitary word
You know for you I'm coming home
Don't become a pawn in a jealous game
Just because I might be out on my own
Don't cha' worry 'bout what all the haters heard
I
