Title: Bones

download from: <http://www.lyricsdisc.com>

i've been through here many times
but you've locked the door, you wanted more
should have seen this coming
my pictures off the wall, with no phone call.

bones and broken homes
bones and broken homes

i've been through here many times
but the path is gone, there's something wrong.
didn't leave a letter
when you wrote me off, with no phone call.

bones and broken homes
(no where to lie down)
bones and broken homes
(just rest my eyes now)
bones and broken homes
(i'll be alright yeah)
bones and broken homes

i've been through here many times

bones and broken homes
(no where to lie down)
bones and broken homes
(just rest my eyes now)
bones and broken homes
(i'll be alright yeah)
bones and broken homes

bones and broken homes
