Title: Born on a different cloud

download from: <http://www.lyricsdisc.com>

Born on a different cloud
from the ones that have burst 'round town
it's no surprise to me
that u'r classless clever and free

loaded just like a gun
you're the hero that's still unsung
living on borrowed time
u'r my son and u'r gonna shine

talkin' to myself again
this time i think i'm getting through
it's funny how you think
it's funny how
it's funny how when you do

born on a different cloud
from the ones that have burst 'round town
it's no surprise to me
that u'r classless clever and free

lonely soul
busy working overtime
nothing ever gets done
especially when your hands are tied

lonely soul
braking up your mother's pride
nothing ever gets done
not until your war's won

born on a different cloud
you're born on a different cloud

born on a different cloud
born on a different cloud
born on a different cloud
born on a different cloud
born on a different cloud
born on a different cloud

(born on a different cloud)
(born on a different cloud)
(born on a different cloud)
(born on a different cloud)

(born on a different cloud)
(born on a different cloud)
(born on a different cloud)
(born on a different cloud)
