

Yeah I'm a hopeless sinner
But now I smile I've found the way to spend all my money
Taking it day by day
At least I've found a winner
It took a while
But now I'm set up
Be a patient honey
And everything'll be okay

Yeah I'm bowmore
Running through my veins
They can't never hurt me in that state
I just bottle up and go
So no more troubles, no more pain
More than trouble, bowmore is my faith
At least for now I think it's all

Even if I'm weren't
I know a way to calm things down
But I'm patient honey
And that's the only way
I guess I've got my days in
And at least hear this 12 years older
And it's make me glory in
Yeah what more can I say

Yeah I'm bowmore
Running through my veins
They can't never hurt me in that state
I just bottle up and go
So no more troubles no more pain
More than trouble, bowmore is my faith
At least for now I think it's all

'Cuz I like it
Yes I do
Yes I like it
And you should too
But in the morning I'm not myself
Oh ! I can't look myself in the mirror
And in the morning cuz I'm afraid
To look inside the mirror once again

Yeah I'm bowmore
Running through my veins
They can't never hurt me in that state
I just bottle up and go
So no more troubles, no more pain
More than trouble, bowmore is my faith
At least for now I think it's all
