---

Made myself a prisoner, I locked myself away  
Can't remember the last time, I saw the light of day  
Don't want to face life feel I've been betrayed  
I want you to tell me where our love went astray

So can't U wait, one more minute? Why can't U wait, one more day?  
Let's get it straight, 'cause it's a big mistake, you better think about it

I don't want to break it up, ah-ah-aah  
Why do we have to break it up? Ah-ah-aah  
Never ever want to break it up, (ah-ah-aah) oh no  
(Ooh-ooh-ooh) I only wanna, make it up tonight, ah-ah-aah-aaah

You say you've thought about it, but you sound so cold  
You make it look like our love, can be bought or sold  
(Aaaaah-aaah) you won't listen, you say it's way too late  
(Aaaaah-aaah) that something is missing, and now you just can't wait

Why can't you wait one more minute?  
Why can't you wait? Give me one more day  
Let's get it straight, this is a big mistake, we better think about it

I don't want to break it up, ah-ah-aah  
Why do we have to break it up? Ah-ah-aah  
Never ever want to break it up, (ah-ah-aah) oh no  
I only wanna, (ooh-ooh-ooh) make it up tonight  
So don't say break it up, (ah-ah-aah) break it up  
I wanna hear you say we'll make it up, (ah-ah-aah) make it up  
I don't want to break it up, (ah-ah-aah) ooh baby  
Why can't we, (ooh-ooh-ooh) make it up tonight?  
Make it up tonight? Make it up tonight?

And I ask myself, what's wrong with me? How could I be so blind?  
I know she tried to give me everything, but I still couldn't see  
Now as I watch our love slip away, I'm beggin
